

Garden Walk Notes

Week 1

Hi All-

Hope you had a great 4th. Kenyon Garden Walks is up and running, the 2nd and 4th Saturday of each month, rain or shine. We got to my garden (65) and Phil's fabulous garden (56). It's a great opportunity to share knowledge, plants, etc. The next one is this Saturday at 9:00 AM. They start at my porch (65). Here's what we decided for the format:

- ?? Walk through 2-4 gardens on the block (first walk through of a garden takes longer, thereafter, only to see new plants in bloom).
- ?? At the end, walk through one yard of someone who wants some specific advice. This week will be Victoria's house.
- ?? BYO coffee, and paper and pencil if you want to jot down variety names.
- ?? I will leave a list of the yard rotation on my porch for stragglers, and move a rotating kite to the front lawn of the house we're currently viewing so you can find us.
- ?? E-mail (or call) me if you:
 - o Plan to come
 - o Volunteer your yard for the up-coming walk
 - o Want to be scheduled on the rotation for help
U12311@snet.net
- ?? I have put up a new page on the website (Garden Walks) that can have plant lists for the yards (my list w/ some photos is uploaded). There are also some basic gardening tips and the notes from each walk.
